A MESSAGE FROM THE EXECUTIVE DIRECTOR

As we step into the summer months, I want to take a moment to reflect on some of the meaningful moments we've shared so far this season. From our recent Staff Appreciation BBQ to celebrating Community Living Month in May, it's been a time of connection, recognition, and gratitude. June has also brought opportunities to honour Pride and National Indigenous History Month. Reminders of the importance of inclusion, understanding, and advocacy in everything we do.

Thank you to everyone for continuing to embrace these values and for your ongoing commitment to the people and communities we support.

Here's to a safe, restful, and vibrant season ahead.

Executive Director

Thank you to the BCCL self-advocates, Raquel Kucheran and Debbie Atkins, for your attendance and for showing what self-advocacy looks like in action. A MESSAGE FROM THE BOARD OF DIRECTORS

Dear friends,

After a very soggy and cold spring I think we are all happy to see summer finally arrive.

I was given the opportunity to join the BCCL staff for a day of learning about Equity, Diversity, and Inclusion last month. We had great discussions and learned so much about each other.

I would like to thank Alex Whittaker and Ron Sanderson who will be leaving our board this September. Both Alex and Ron have served on our board since 2017. Thank you for your commitment and time. You have been valuable members of the board. Wishing both of you the best of luck with your future endeavours.

On behalf of the Board of Directors I hope everyone has a great summer. Enjoy time with friends, family and getting outdoors.

Carmen Baker
Chair of the Board

Thank you & Best Wishes

TOWN OF CALEDON ART IN THE HALLS FEATURING BCCL'S ART BEYOND LABELS: THE POWER OF INCLUSION

On May 6th, BCCL, in partnership with the Town of Caledon, celebrated the opening of the new art exhibit *Art Beyond Labels: The Power of Inclusion* as part of the Town of Caledon's Art in the Halls program. This exhibit, previously displayed at PAMA, now includes additional artworks and artists and will be on display at Town Hall until August 29th, 2025.

On the same day, the Town of Caledon raised the BCCL Community Living Flag, and Councillor M. Russo officially proclaimed May as Community Living Month. The BCCL artists had the opportunity to speak with Town Council members, and Mayor Annette Groves delivered remarks on the importance of inclusive communities.

A special thank you to our artist representative speakers, Rebecca Hoek and In Cho, for your powerful and inspiring statements.

CPS ART COMPETITION WINNERS

Congratulations to the CPS #CLMonth2025 'The Castle' Art Competition winners, Brampton Connections:

"Together, We Thrive"

Anthony, Joanna, Iyaneh, Areeba, Adil, In, Nick, Ricky, Ashima (art lead)

This vibrant painting was created for Brampton Caledon Community Living to reflect the theme of inclusion — a celebration of people with disabilities being fully accepted, valued, and integrated into the heart of our community. Each figure in the artwork represents the rich diversity of abilities, backgrounds, and experiences that make our society whole. From rolling hills and rising suns to the joyful expressions of unity, the imagery speaks to possibility, empowerment, and belonging.

Rooted in the organization's mission and vision, this piece is a tribute to the meaningful lives people with disabilities lead when supported and included. It invites us to imagine a world that uplifts every voice and ability — one where inclusion isn't just a goal, but a way of life.

JUNE IS PRIDE MONTH

June marks Pride Month. This important observance offers us an opportunity to recognize, and learn from past and present histories, identities and lived experiences of 2SLGBTQI+ community. June is a time to dive deeper into your understanding of equity, human rights and the diverse contributions that shape our workplace and communities.

This month reminds us that inclusion is not a one-time effort, but an ongoing commitment to learning, un-learning and advocating for environments where everyone regardless of identity, background or lived experience can thrive! Pride month encourages us to consider the ways that systemic barriers still show up today, and how we can each contribute to building spaces that are more respectful and informed on actionable ways we can make a change.

JUNE IS NATIONAL INDIGENOUS HISTORY MONTH

June marks National Indigenous History Month in Canada, a time to explore and honour the rich cultures, traditions, and histories of First Nations, Inuit, and Metis peoples. It's an opportunity to recognize the stories, achievements, and enduring strength of Indigenous Peoples, who have lived on this land since time immemorial and continue to share the Canada we know today. CPS Explore, CPS Caledon Connections and CPS Venture attended Maawnjiding Wiingushkeng's 2nd annual powwow. It offered a valuable opportunity to engage with local vendors, deepen our understanding through educational exhibits, and witness the vibrant traditions and experience through dance and drumming.

BCCL'S STAFF APPRECIATION BBQ

Earlier this month, we had the pleasure of hosting the BCCL annual Staff Appreciation BBQ—a heartfelt celebration to recognize and thank our incredible team for their dedication, compassion, and hard work throughout the year.

It was a wonderful afternoon filled with great food, laughter, dancing and connection. From the smiles to the shared stories, the event reflected the strong sense of community that makes our organization so incredible. This BBQ was just a small way for us to say thank you. Your ongoing commitment and care make a meaningful difference every day, and we are truly grateful for everything you do.

We hope you enjoyed the event as much as we enjoyed celebrating you. Enjoy a few highlights from a memorable day!
